

VALATIE FREE LIBRARY NON-RESIDENT BORROWING

At the discretion of the Director, the Valatie Free Library may issue a library card to non-residents provided that the non-resident presents a form of picture identification. The home library and patron fields on the registration card will be Valatie. The Library is responsible for any materials borrowed by a non-resident and, at first, may lend only its materials to the non-resident. The Library will limit the number of items borrowed by the non-resident initially to one or two items. If the non-resident does not return items when due, the Library will revoke the library card and eliminate the patron from the library system.

August 2019

Approved by the Valatie Library Board: July 26, 2021.
